NDIS transitioning and support coordination

Penny Paul (Dandenong) & Luke Bo'sher (Sunshine), The Summer Foundation: Navigating Specialist Disability Accommodation

The Summer Foundation will answer important questions about SDA including:

- How does the NDIS help people find housing and live independently?
- What types of housing models and options are funded by the NDIS?
- What is SDA, who it is for and what can NDIS participants use it for?
- What should participants ask for in their NDIS plan?
- Once they get an NDIS plan, how do they use Support Coordination to find and move into a new place?

NDIS case stories

Lachlan Hosking, SDA Options: Brand New SDA Coming to Metro Melbourne.

Launching in various locations across Melbourne are new homes with a focus on accessible locations, open plan living and quality finishes. The presentation will include a typical floorplan and a list of unique features. SDA will address some common key questions including:

- What are the challenges faced from a building and compliance perspective?
- How might NDIS participants qualify for SDA?
- How can support coordinators work with SDA Options in achieving a great housing outcome for participants?
