NDIS and client services

Transitioning to the NDIS and support coordination

Case studies

Rebecca Hoge, Guidestar, Specialist Support Coordination.

Ecological assessment for SDA housing and Specialist Support Coordination.

Specialist support coordination for SDA housing focuses on addressing barriers and reducing complexity in the support environment. This presentation highlights how this helps participants connect with supports and build capacity and resilience.

Nikole Giles-Dickinson, Project Manager, SDA Options.

Tenancy support and SDA housing

SDA Options is a provider of purpose built disability housing with a focus on a shared model of support. Nikole will outline the type of participant this funding is geared towards and the steps they should consider before requesting this funding from the NDIS.
